LITTLE THEATRE COMING SOON!

Only \$500,000 to go!

The Little Theatre renovation can begin this summer if the remaining funds are raised! District-approved designs are awaiting state approvals; we hope to take the project to bid in early June. Highlights of our steady progress toward the fundraising goal of \$1.7 million include:

- A grant award in February of \$200,000 from the Dean and Margaret Leshner Foundation.
- Submission of multiple grant applications both local and national.

- The kick-off on May 9 of a Northgate student-sponsored fundraising campaign to reach out to the entire Northgate community.

We are looking to the community for help in the following areas:

- Individual donations –**Please give generously now!**
- Identifying additional corporate or foundation grant opportunities. *
- Contacts at theatrical lighting and sound supply companies, who may be able to make in-kind equipment donations for the theatre. *

*Please call us at 925-939-6273 if you can help with these items.

HOME GAMES 2005!

Northgate Community Pride Foundation is excited to announce that **all Northgate High School Home Football Games for the 2005 season will be played at Northgate High School!** The initial phase of the field renovation project will include bleachers, new goal posts, a new scoreboard, fencing and amenities to truly bring a "home field" advantage to the Broncos come next fall. Northgate's administration and staff along with the MDUSD and the DFAL completely support this

endeavor. This will be the first major phase of the field renovation project, with the ultimate goal of completing a comprehensive sports field facility that will benefit many of the school's teams and the entire student body. *Bronco Stadium* will be improved with a field-turf surface, an eight-lane all-weather track, stadium seating and a press box. Stay tuned for more news on the field program!
